OYC TODAY

A publication For Members And Friends Of The Ozark Yacht Club – February 2011

Happy New Year!

From the crew at OYC, we would like to wish you and your family a happy and prosperous new year for 2011. We are thankful for the growth we have experienced in 2010 and look forward to continuing to grow and offer superior service to our members and guests in 2011.

As we continue improvements around the facility, we realize that Spring is right around the corner. It has been an exciting winter so far, but each of us look forward to seeing the sunshine. Think SPRING everyone!

Winter Boat Shows

It's Showtime! Ozark Yacht Club is coming to you. The winter boat show season began with the Lake of the Ozarks Marine Dealer's in Overland Park, KS. The Overland Park Convention Center is the location to see various dealers from the Lake. This show took place January 27th—30th. Next, we are off to the NMMA Boat Show in St. Louis at America's Center/Edward Jones Dome. OYC will have the NEW Catalina 355 on display fresh from the factory in Florida. Versatility, speed and comfort will set the 355 apart from all others. Closing out the show season, OYC will participate in the Spring LOMDA In-Water Boat Show at Dog Days on the 19MM.

Mark the calendar, we look forward to seeing you there!

OYC Guest Chalets

Following the purchase of the additional acreage beyond OYC, we continue to look for ways to improve the services we can offer to visitor's in our area.

Engineers and excavators have been working diligently to finalize the plans for the new OYC entrance off Bagnell Dam Blvd. When the new entrance is complete, it will allow for the expansion of Guest Chalets on the property. Currently, construction is taking place on the first Chalet, *The Dock House* and should be available for occupancy by Spring 2011.

The Dock House is located on Dock W and will be available for nightly or extended use by members and guests. It features a gathering area with an electric fireplace, 2 bedrooms and 1 bathroom. The *Dock House* can sleep up to 6 guests. Boat slips are also available during your stay.

For more information, visit *www.ozarkyachtclub.com*, page *Lodging*.

Ship Shop Opening

The OYC Sales Office on Bagnell Dam Blvd. will soon transform into the Ship Shop. In addition to boat sales and brokerage, you will be able to browse a wide selection of Nautical Décor, Jewelry, Apparel, SailBags, Hand-crafted wood items, OYC logo merchandise and Wall art.
We are excited to offer a variety of unique items at the Lake and look forward to providing quality products at an affordable price. Not at the Lake? Visit our website for all items available for order.

Summerize Your Boat

Summer will be here before you know it! After the long winter comes to a close, it's best to make sure your boat will be running in top performance in time for the first day of boating weather. We offer complete fluids, systems and mechanical operations inspection as well as de-winterization services.

For a complete list of services please visit our website at www.ozarkyachtclub.com. To schedule your service, call Tim at 573-552-8401 or fax the online service agreement to 573-552-8402.

What's Happening around OYC

At the end of December, OYC purchased and installed 12 new dock de-icers. With the extreme cold weather here, these de-icers will aide in the protection of our docks as well as members' boats.

New Fuel Dock—Upgrades to the fuel dock will be enjoyed by everyone. Additional slips have been added as well as an extension to the lay-along which will allow us to better serve our customers. New padding and ropes will increase the protection of your boat. Extra dock space was created as a courtesy deck and features tables and chairs, so you can enjoy a cold beverage and a light breeze while refueling your boat.

Installation of brand new fuel pumps will increase the dispensing capacity by 50%, which allows for faster fuel and diesel service. The pumps are electronic for improved accuracy.

For the OYC Service Dept., we have added a 2011 GMC Heavy-Duty truck for haul-outs and over-the-road hauling. This addition will allow our Service Dept. to better serve our customers.

By Spring, safety ladders will be located on each dock. These ladders will provide an easy exit from the water in case of accidental entry.

As a courtesy, we have purchased large protective bumpers which are available to our members. They can be installed at the entrance to any slip in order to protect against strong winds, large wakes or any obstacle that might interfere with a safe docking experience. Please contact Debra if you would like information or to schedule installation.

At OYC, we take pride in making improvements that will make your boating and experience at the Lake pleasurable.

Catalina 355 on Display

The Catalina 355 is new to the fleet of Catalina Yachts on display at OYC. Currently we carry the 8ft. Sabot, 12.5 Expo, 16.5 day sailor and 309 cruiser. The 355 is has just been recognized by *Cruising World Magazine* as the Domestic Boat of the Year and Best Midsize for 2011.

Catalina boasts the 355 as versatile, fast, comfortable, spacious and safe. Presenting a new hull design with a long waterline, moderate beam and freeboard, and a handsome low-profile cabin structure.

Everywhere you look on the 355, you'll find features that make sailing for the day or for extended periods a pure pleasure. Mainsail control is convenient with a 5' long traveler. Long, inboard Genoa tracks accommodate headsails from a powerful 155% Genoa to a storm jib, allowing a balanced sail plan for all wind conditions.

Additional features are a forward berth with innerspring mattress, a dedicated filter locker, large cockpit locker with gull wing hatch and available quad-leaf folding table.

Member Lockers

Don't forget to reserve your locker for the upcoming season! Rent one monthly for $7.00 or yearly for $72.00.

OYC has 26 lockers located near the dressing rooms and laundry facility.

The convenient size provides plenty of room to store your personal items, laundry soap, clothes, towels, etc.

Welcome New Members

We are excited to have new members recently join the club. So, in the spirit of encouraging family-friendly recreation and cultivating lasting social relationships in the tradition of a selective Yacht Club we would like to introduce our new members. At OYC, we want to create a "home away from home" atmosphere that everyone can enjoy!

Member Referral Program

Beginning January 2011, any current member of Ozark Yacht Club who refers a new member to join OYC, will be awarded 100 OYC Bucks! The program bonus applies to Slip, Social, Guest or Valet Memberships.
Use the OYC Bucks in the LakeSide Café, Fuel dock, Ship Shop, Service or just add it to your account for future use.
The Member Referral Program is another way for OYC to continue to thanks the members for their continued support and patronage.

ASA Certified Sailing Course

We have offered American Sailing Association 101 Basic Keelboat courses during the Spring and Fall seasons. However, recently extended certification of our instructors allows OYC to offer advanced courses as well. In addition to ASA 101, we have ASA 103 Basic Coastal Cruising, ASA 104 Bareboat Chartering, ASA 105 Coastal Chartering and Sailboat Racing course.
Dates are pre-determined and can be viewed on the website under *Event Calendar* page. Naturally, specific dates and times can be arranged according to the instructors availability.

LakeSide Café Enhancements

Based on suggestions we received from our members, we will be expanding the LakeSide Café to include 2 separate outdoor patios that will allow additional seating along the water's edge. By next spring, the new patios will truly become "the best seat in the house". A perfect setting to relax, enjoy breakfast and sip your favorite beverage. Starting the new season off right, guests will be able to enjoy an alcoholic beverage anywhere on the complex, including the fuel dock , patios and inside the café.

For those of you who enjoy the Café during the summer season, now have the opportunity to join us in the off-season as well. This year we created a winter menu to feature homemade soups, hot sandwiches and sides to keep you energized and warm during these cold months. The winter hours are 8 am– 5pm 6 days a week, closed on Tuesday.

Stay tuned for the release of OYC Marmalades and salsa. Several varieties will be on sale this year in the Café, Ship Shop and www.ozarkyachtclub.com.

Winter Weather Update

As many may have heard by now, blistery weather conditions have recently consumed numerous areas around the country.

At the Lake, snowfall was reported to be approximately 20 inches deep with projected accumulation in the coming week.

Snow removal crews have spent countless hours on the dock rooftops in order to eliminate as much weight from the snow in an attempt to prevent any damage to the docks. With continuous monitoring over the past few days we were pleased to be able to provide members with favorable updates regarding their slips.

So far, we have been fortunate at OYC in part to the superior construction of our docks and the experienced and committed staff and snow removal crews which helped us weather this storm!

Preview Upcoming Events

Once spring arrives, it will quickly turn into summer and everyone will begin to get busy with family and friends, so we want to create awareness for OYC events happening throughout the year.

- Spring Sailing Races
- Parade Of Lights (Memorial Weekend)
- Dinghy Competition
- Youth Sailing Camp
- July 4th BBQ (Independence Weekend)
- 1st Annual Diesel Days
- Fall Sailing Races
- Ozark Cup Regatta
- Football On The Jumbo Screen
- Ghouls Party (Halloween)

We appreciate any ideas to make events more enjoyable and informative. We hope each of you will be able to join us! Don't forget to bring your friends!
